Foreword

This, the BREAKER for 1960, marks the end of another phase in our lives. As we bid good-bye to these hallowed halls, that have meant so much to us in the past four years, let us pause to look back on some of the activities and organizations that played such a large part in our lives during that time.

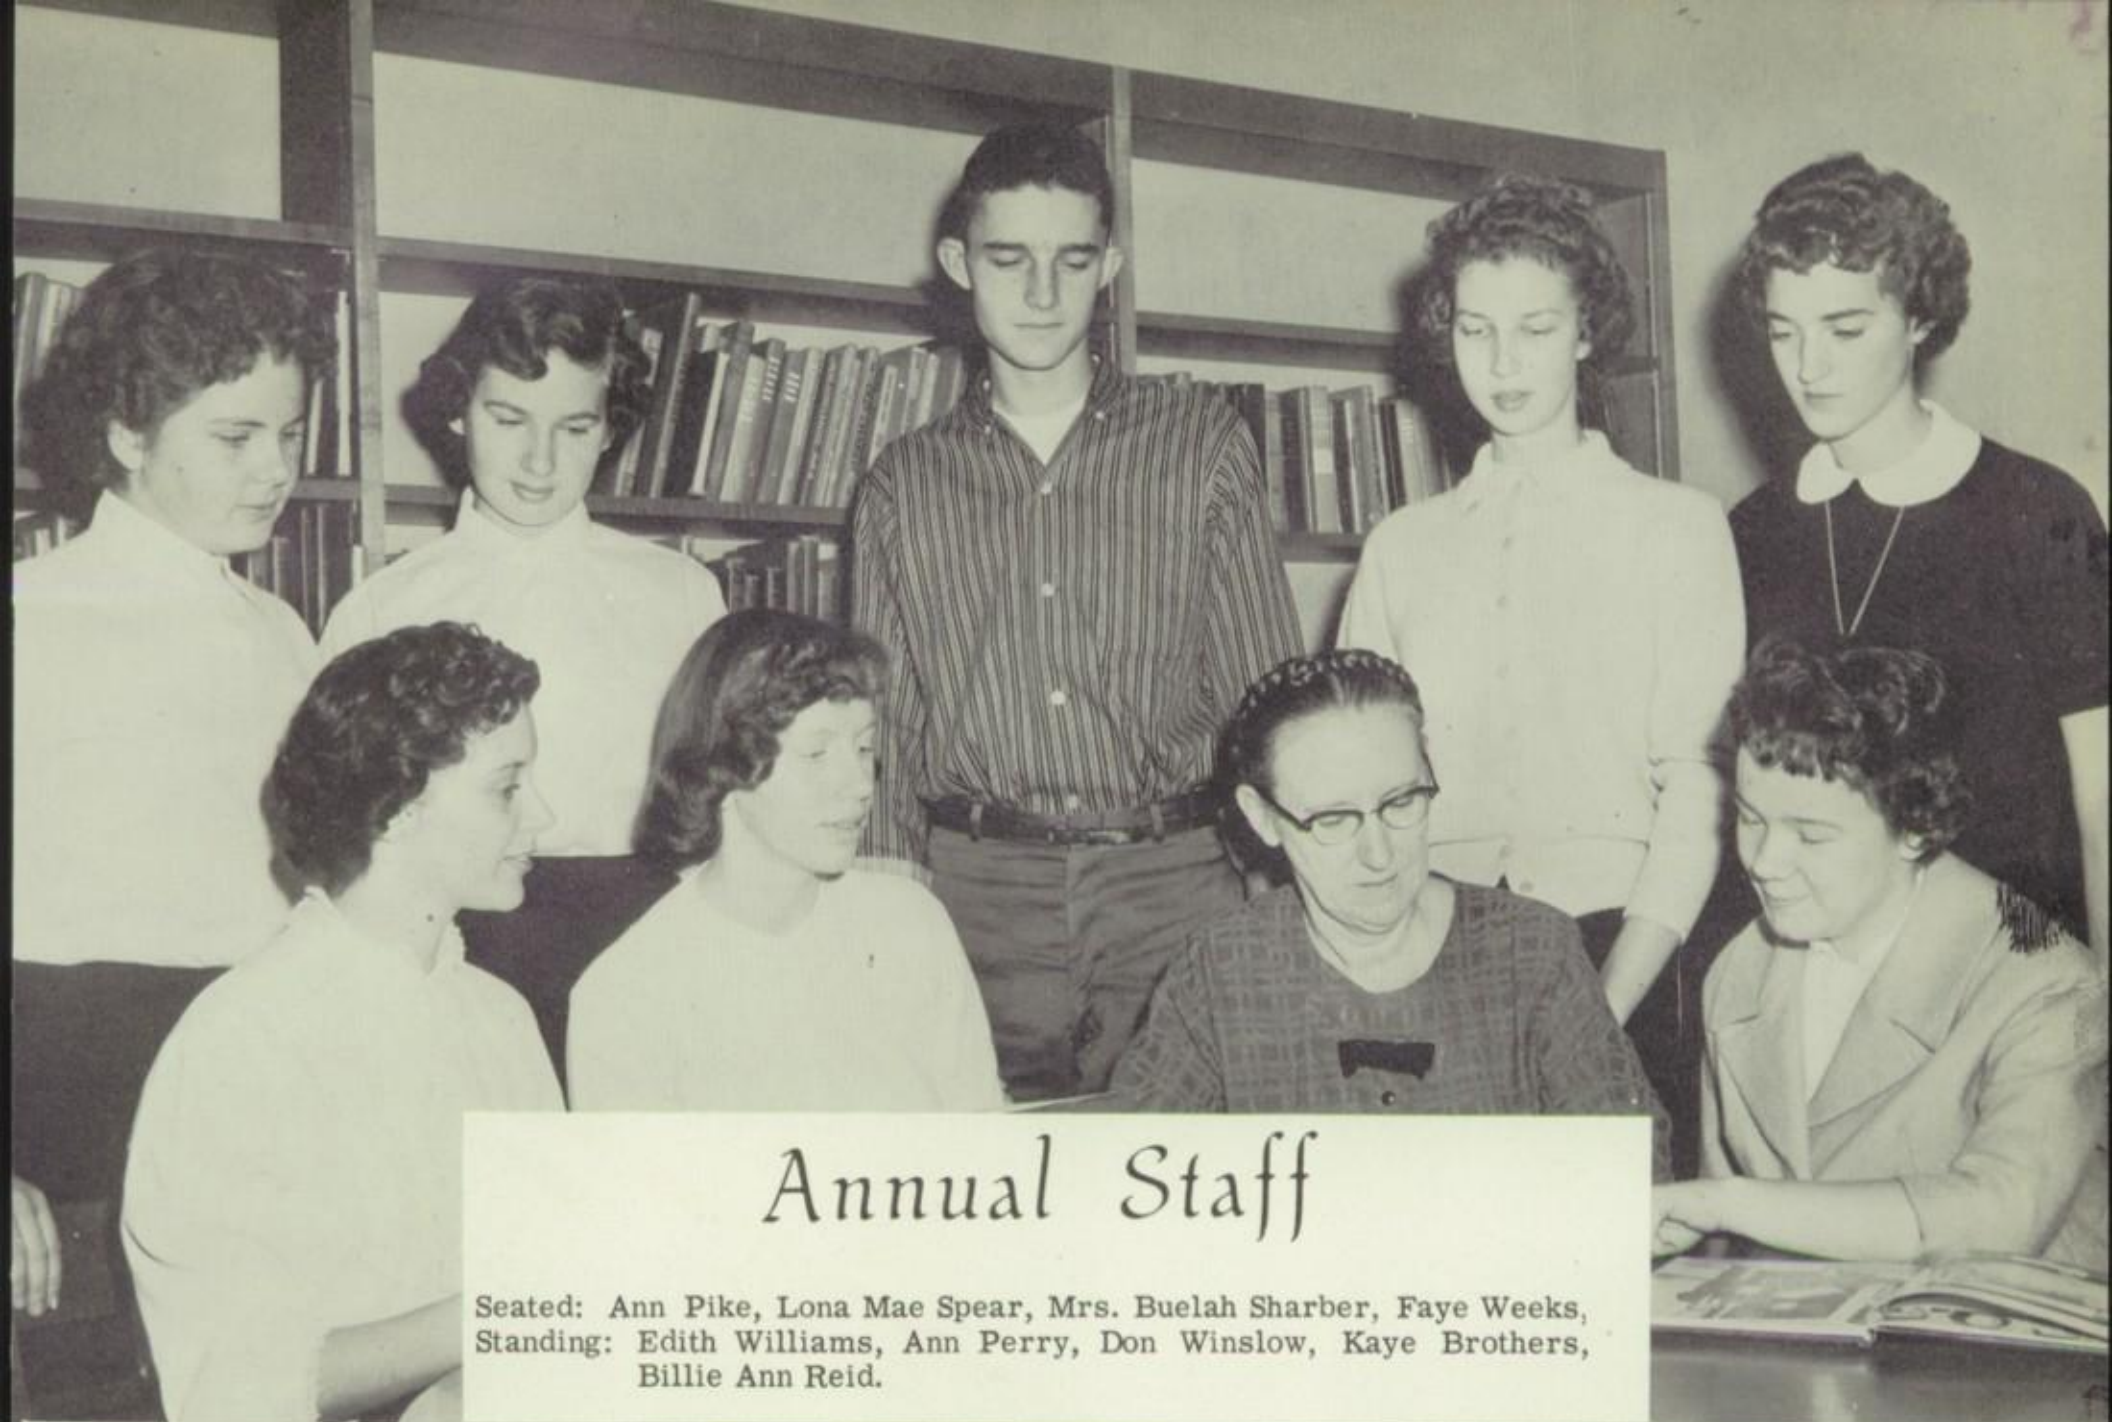

Perhaps at a future date when we pick up this book it will bring back pleasant memories and thus serve as a connecting link with a past embodied with pleasure and a rich heritage.

To you, the graduating class of May 1960, we offer this yearbook which is a record of our last year at Central. Its worth can only be determined by you, THE READER.

Class Song

We shall always love our high school song
Deep in our hearts it has dwelled for so long,
Footsteps may falter through every passing day,
We shall remember it in every way,
Yet till the end when life's dim shadows fall,
This will be found the sweetest song of all.

We a class of Central, hate to part from thee,
We shall think of you---, when we're far away,
No more good old friendships,
No more well known ways,
Memories will make sweeter our high school days,
Our old high school days.

Joyfull we hail thee, Dear Old Central High,
Time will never alter our Devotion true,
Time for our commencement now is drawing nigh,
We will part with a friendship for each of you,
For each one of you.

History of The Class of '60

In 1948 a group of small boys and girls set forth on a long journey. Starting school was a new experience for all of them. To most it was a very exciting event, having been awaited for months. At first these children did not know why they were attending school, but as the years went by they began to realize its true significance. When the time came for graduation from the eighth grade they knew the importance of the step they were about to take. This step into high school was a great advancement toward their goal--a high school diploma--which would signify that they had acquired a great deal of knowledge and were ready to go out into the world or to face the rigors of higher education.

High School was a new experience for everyone. Changing classes confused many of us, but it did not take long for us to settle down to the task at hand. But high school life was not all studies. Participation in sports and extra-curricular activities provided much enjoyment and several awards were won by members of the class. The homeroom teachers for our Sophomore year were Mr. J. E. Derrick and Mr. Clifton Boyd. We had 65 members this year. One highlight of the year for some of the girls was the Mother-Daughter Banquet.

The homeroom teachers for our Sophomore year were Mr. J. E. Derrick and Mr. Gene Singletary. Two of our boys had some bad luck at the beginning of this year. Bobby Cartwright and Frank Lilly each suffered a broken arm in different football practice sessions. The Sophomore-Senior Skating Party was well attended and everyone seemed to have a good time despite the bumps which resulted.

After the first two years in high school, this group, now young men and young women, was completely accustomed to high school and we started our Junior year with high hopes and ambitions for a very successful school year. Our homeroom teachers this year were Mr. C. O. McMullan and Miss Anne Brown. We began the year with a class of 46; however, 4 of the girls stopped school to get married and we lost 2 of our boys to Uncle Sam. The Junior Play, "Calling All Carrs", was such a success that a repeat performance was given. The crowning achievement of our Junior year was the Junior-Senior. Weeks of planning and preparation produced a magnificent banquet and prom that we will remember for the rest of our lives.

Now, at last, we are Seniors---preparing to graduate and face the world, knowing that our years of study and fellowship will be very valuable to us in years to come. We have traveled a road that has been very rough at times but we have reached our goal. Before we receive our diplomas we would like to extend sincere thanks to all the teachers who have taught us and helped us along this road of knowledge, preparing us for the future. We are looking forward to many events of this, our Senior year, but the most important will be that final Graduation Day when we will receive our long-awaited diplomas.
